

## **De Nora Elettrodi (Suzhou) Co., Ltd. Grand Opening on May 10, 2006**

The ceremony was attended by:

Federico De Nora, Chairman of Industrie De Nora  
Gianfranco Mora, Managing Director of Industrie De Nora  
Renato Gazzaniga, Managing Director of De Nora Elettrodi  
Claudio Mantegazza, in charge of the project realization  
Daigoro Senoo, President and CEO of Permelec Electrode (the Japanese partner)  
Shan Ru Cai and Vincent Luo respectively Vice President and General Manager of the Company  
and all employees and workers.

As per the Chinese tradition, the celebration started with the opening speeches, followed by the ribbon cutting, fireworks and dragon dance.

The new facility is already working and producing. Gruppo De Nora counts on the business in China increasing considerably over the next few years so that De Nora Elettrodi Suzhou will become one of its main production sites together with the United States and Europe.
