

## **Working Mother's Day**

De Nora (Milan) joins the initiative launched by "Il Sole 24 ore" in cooperation with the Ministry of Equal Opportunities.

The little guests (aged from 1 to 11) will visit the offices with their mothers, will have a snack all together in the meeting rooms where paper and crayons will be available to express their Creativity.

A dedicated menu will be arranged in the canteen and straight after they will be entertained with games.
